

Our courses explained

Foundation course (12 days)

Core

Eight days of training covering the **essential** domestic abuse advocacy skills you need. This is the foundation for your learning

+

Specialist

Four days of additional training which make you a **specialist** in a particular area.

Specialist course

A four day course in an **additional** specialist area, which you can complete once you've done a Foundation course - or as standalone CPD

Choose your Foundation course

Core
